

De Queen High School
Work Based Learning
Program

Build Your Future Workforce Today

Purpose

- ✓ **Work-Based Learning connects motivated high school students with local businesses to develop real-world skills, strengthen workforce readiness, and build a pipeline of future employees.**

Expectations

- ✓ **Provide a safe, supervised work environment**
- ✓ **Mentor and guide the student**
- ✓ **Communicate periodically with program coordinator**
- ✓ **Complete a simple evaluation each grading period**

Benefits to you

- ✓ **Mentor and shape the next generation workforce**
- ✓ **Increase brand visibility in the community**
- ✓ **Develop workers with skills tailored to your business**
- ✓ **Strengthen community relationships**

Student Contribution

- ✓ **Our students come prepared with foundational skills, a strong work ethic, and a desire to learn from industry professionals.**

By participating, you're not just supporting a student—you're strengthening our local workforce and community.
